The Palermo offers the ultimate in two person hydro-massage. An interchangeable six back jet system gives the bather(s) the ultimate choices in hydro-massage action. Four DryJets™ and two micro feet jets add the finishing touches to complete body massage therapy. Not only is the Palermo™ a treat for the body, but also the eyes. Water cascades down the neck from under the pillow and travels around the sides, spilling into the basin next to the standard integrated fill spout. All of this, powered with a special 4 HP, two pump system.
