

The WalkEn[™] Bath by *VITA[®]* *BATH*

A Walk In, Sit Down Bathtub
A Lifestyle Choice Now Affordable For Everyone!

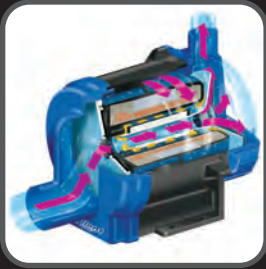

...let it take you there.

Bathing Made Easy...

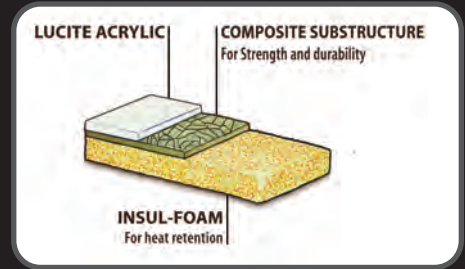

With Vita Bath's new WalkEn™ bath, you can experience an oasis of therapeutic wellness in the comfort and safety of your own home. Simply open the door, step inside, sit down, and the relaxation begins. The WalkEn bath gives you more of what you want and need in a walk-in tub.

More Features...

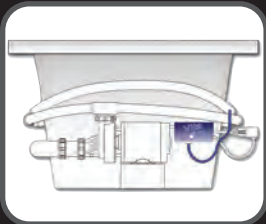

...like **GREEN H.E.E.T.** and **INSUL-FOAM**, both exclusive features of the WalkEn bath.

GREEN H.E.E.T.™ (High Energy Efficient Transfer)
The H.E.E.T. system captures the operating energy of the pump and transfers it into the water. When combined with **INSUL-FOAM™ (insulating feature)** you are assured of warm comforting water for the duration of your bathing experience.

VITAZONE our exclusive sanitation system.

VITAZONE™
Vitazone is an automatic device that produces ozone to safely and effectively sanitize your bath while in use. Standard on Whirlpool systems.

E-Z CLEAN™
Simple but effective, offering you complete peace of mind. Simply dilute a small amount of water with any household antibacterial cleaning agent, drop it into the fragrance dispenser, activate the pump and your tub is cleaned and sanitized. Standard with AromaSpa system.

More Benefits...

...such as **VITAROMA**, our exclusive aromatherapy system.

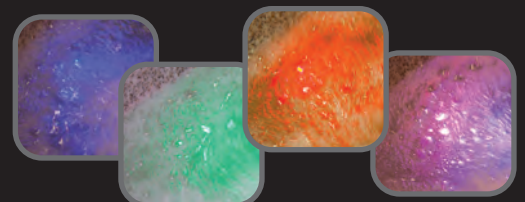

VITAROMA™
Simply drop in any of the eight aromatic fragrance canisters into convenient dispenser and get ready to be swept away to your special place as the scent of flowers or herbs permeate your senses and bring peace and comfort into your day. VitAroma includes a heated air massage system.

CHROMATHERAPY

An LED lighting system that transforms your bath into a sanctuary for escape and mind-lifting bliss. Standard on Aroma Spa or Whirlpool baths, Spectra-glo LED lighting will illuminate your bath with a virtual rainbow of blue, green, red or fuchsia. So, pick your favorite color, sit back and relax as your spirit comes alive with pleasure.

And most importantly... More Value...

The combination of superior design and construction along with the extensive list of standard features and benefits makes the WalkEn Bath an extraordinary value.

Ergonomics (standard features) ♦ ♦ ♦

A contoured seat with an elevated back rest for comfortable seating while bathing.

An attractive head rest will aid in the comfort and relaxation of your bathing experience.

A strategically placed grab handle provides you safety and confidence when entering or exiting your WalkEn bath.

IT IS MORE THAN A WALK-IN BATHTUB—IT'S AN ESCAPE

Vita Bath's WalkEn bathtub is available in four different varieties.*

Soaking Tub: Model 3054W

Constructed of high luster Lucite acrylic reinforced with our exclusive **WEAVETITE™** substructure and steel frame, this product will last a lifetime. Comes standard with E-Z lock door, safety grab bar, integral seat (17" high) and slip resistant floor.

Whirlpool Bath: Model 3054WW

Includes back, leg and foot hydrotherapy jets powered by a silent 1 hp motor with H.E.E.T. recovery system. **VITA TOUCH™** electronic controls, Vitazone sanitation and Chromatherapy are all standard features.

Aroma Spa: Model 3054WAS

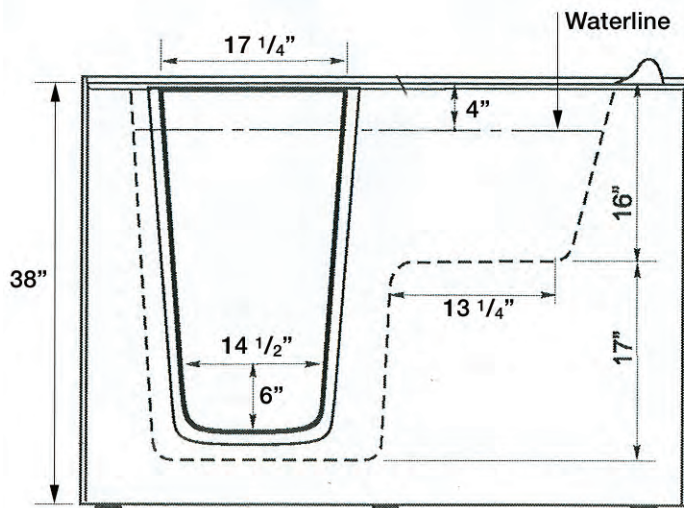

Comes standard with heated air induction system, variable speed electronic controls, VitAroma, E-Z clean and Chromatherapy.

Whirlpool/Aroma Spa Combo Model: 3054WWAS

Let your senses be rewarded. We like to refer to this as **4-WAY THERAPY**. Aromatherapy for your mind, Chromatherapy for your spirit, Champagne Air for soothing stress relieving therapy and finally a powerful whirlpool system that provides muscle and tension relief.

* Wastes and overflow standard on all units.
